

Lost Society

CHRISTMAS 2013

Lost Society presents an intimate a la carte Christmas experience for 2 people through to larger dining parties of 40, buffets from 20 to 200, and canapés for 40 to 200 people.

The drinks list is classic, provocative and stylish, with cocktails from the Golden Era of the Cocktail, through the roaring 1920's and up today where our bartenders have worked their magic to create a selection of drinks unrivalled in South London.

If you would like to add an extra dimension to your Christmas party why not have a cocktail class for your guests, each class is tailored around the drinks that you would like to be drinking.

All menus are available Sunday to Friday from November 25th through to the 22nd of December.

Pre orders and a deposit are required for all bookings. Prices for all Christmas packages and times of sittings are shown below. There is a 12.5% service charge with all monies going directly to the staff.
